## Price List Effective 10/01/2011

All prices are for sterling silver splints; Siris™ splints do not contain any nickel.

Special order splints address unique situations. We understand these splints may need adjustments; the first modification or adjustment is free of charge. For additional modifications, there will be labor and material charges which we are happy to quote prior to proceeding.

In the event a special order splint cannot be modified or adjusted to resolve your patient's situation, the splint may be returned for refund or credit of 75% of the original purchase price. There is no refund for additional labor and material charges.

\*\*Size verification required prior to fabrication. Splints for which the size has been verified may not be returned for credit, refund or adjustments. Please call if you have questions.
